2. Technical Specifications:

The Dissection Table should conform to the required institutional/departmental specifications, including suitable construction, corrosion-resistant materials, adequate drainage/waste disposal arrangement, water supply provision, working surface, ventilation/exhaust arrangement (where applicable), and other necessary accessories.

The supplier shall provide complete technical specifications, catalogue/brochure, warranty details, and after-sales service information along with the quotation.

3. Terms and Conditions:

1. The quotation should be submitted on the firm's official letterhead, duly signed and stamped by the authorized representative.
2. The quoted rate should be inclusive of all applicable taxes, packing, forwarding, transportation, loading/unloading, installation, commissioning, and other incidental charges, unless specifically stated otherwise.
3. The quotation must clearly mention the applicable GST rate and amount.
4. The supplier should mention the brand/manufacturer, model number, country of origin, and detailed technical specifications of the offered item.
5. The equipment should be supplied with all necessary accessories required for proper operation.
6. The supplier must specify the **warranty period** and provide details of after-sales service and availability of spare parts.
7. The delivery period should be clearly indicated in the quotation.
8. The successful bidder shall be responsible for installation and commissioning of the equipment at the designated site.
9. The Institution reserves the right to inspect/test the equipment before acceptance.
10. Payment shall be made after satisfactory supply, installation, commissioning, and acceptance of the equipment, subject to applicable rules.
11. The quotation shall remain valid for a minimum period of **90 days** from the last date of submission.
12. The Institution reserves the right to accept or reject any or all quotations, wholly or partly, without assigning any reason.
13. Quotations received after the stipulated date and time shall not be considered.
14. Any deviation from the prescribed specifications should be clearly indicated separately in the quotation.
15. The supplier must submit valid registration/GST documents and other relevant credentials as required by the Institution.

4. Submission of Quotation:

Interested firms/agencies may submit their quotations in the prescribed format, clearly indicating the **unit rate**, applicable taxes/GST, if any, and other charges.
